Ramblings

GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

SEPTEMBER 2, 2004

Nobody said doing adult comedy was always easy, as Randy Tripp found out Thursday

Guest Comic finds Teen Age Guests challenging

Since at one time, I pursued a comedic career, (unsuccessfully, which I'm sure comes as a shock to my countless fan) I was pleased to see that **Sunda** booked his friend **Randy** to do comedy for our members. I can almost hear the conversation that closed the deal. **Randy**: "I'd sure like to break in some new stuff. I'm auditioning for **Leno** Saturday," **Gary**; "My **Kiwanis Club** would be a great place.." **Randy**: "It's adult humor I wouldn't want to offend anyone. Do they watch **Leno**?" **Gary**; "They never heard of **Leno**, they don't stay up that late, but they love adult humor, and I know that your stuff will be new, because they don't remember what happened yesterday. They're considerate too, because if somebody isn't interested, they just fall asleep as a courtesy. Besides they're all guys and you can try anything you want. Not a woman for miles." As **Randy** lounged in the pre-meeting atmosphere of cocktails and jokes, in walks our two favorite teenagers, **Amanda Newkirk**, and **Lauren Howard**. **Lauren** to thank us all for supporting her **Miss Garden Grove** effort, and **Amanda** to provide support and comfort. **Randy** looked like he had lost his best friend. **Randy** did "Cleanup on the fly" while **Lauren** and **Amanda** tried to decide whether laughing in front of **Gerry N.** was proper or improper conduct. **Randy** did his best, but couldn't get it all cleansed before going on. **Lauren** and **Amanda** did theirs too. It was impossible to tell if they did or did not enjoy **Randy**. I enjoyed him a lot. But most of all, I enjoyed knowing **Randy** would probably love to shoot **Gary**, and the girls were terrific!

Randy Tripp had an interesting night juggling two types of material for one crowd

Announcements

Our installation will be held **October 7th**, it will be held in our **Amphitheater** to emphasize the importance and formality of the occasion. When **Bob Main** realized that he would be attending there was no request for ties. So dress will be jacket, nice shirt, and slacks, no ties necessary. Hear that **Kelly**? It will of course be a ladies night. **Peter** asked for volunteers for the **Choc Walk** to be held **October 3**, or at least a donation. He and **Suki** are Co-Chairpersons. The **progressive dinner** is progressing nicely. Date is **September 18**, starting with cocktails and **Jay's** super hors de oeuvres, at **Main's** home. We will then visit the **McIlvain's**, and then it's off to the **Singers** for desert. Those who bring deserts will be thanked profusely. Please let **Leeb** know if you will be attending. The **Girls and Boys Club Wine Tasting** will be held the **25th of September**, September 22, is the improvement project, of which I have no idea what that is, but it sounds cool. **Gerry N.** gave **Kiwanisland** \$200.00 from a grateful person who used the facility. The user is rumored to have the same name as the presenter.

Happy/Sads and an exaggeration or two.

Some people have a tendency to exaggerate the size of their contributions, hoping that I will actually believe them. However after committing to my **Boy Scout** oath many years ago, I have vowed to fight crime, by pursuing the truth and reporting it. While I do so, I have a tendency to overlook other contributions. So if I miss any of you, it is only my passion for the truth that causes the problem. **Kelly** a happy dollar, my escrow closed allowing him to donate \$500.00 to the Foundation. **Bart Blakesley** making a triumphant return and offering a happy \$20.00 **Lynn** is in remission and out of the hospital. Wonderful news! **Tom Elliott**, for his Grand Jury involvement. **Shelly** for **Charles Kim** whose father is ill in Korea. Prayers are offered. **Andreoff** happy to be alive and well, as we are happy for him. **R.C.** just donating, **Carter** just happy, **Ed Hodges** \$2.00 for **Bart** being back. **Petrosine** \$20.00, took his grandsons to a fund raiser, met **Angel** players, won game tickets and opportunity to be a bat boy. (Grandkids, not **Petrosine**) **Main** two for **Gerry A's** health. **Fred W.** Birthday of son **David's Godson**. **Jon E.** has a gopher. (no questions please.) **Gerry N.** Five. For **Lauren's** experience, and the cheer team at **Pacifica**. **Will** five, missed three meetings. **Schlensker**, five about a roadie, (maybe) missed meetings and **Newkirk**. (I hope.) **Leeb**, for all the pretty people in the club, that's about a buck, and for **Emily** entering pre-school., and last but far from least, **Nielsen** twenty, happy to see everyone except **Hodges**. Sometimes we understand. Oh, and I forgot, **Sunda**, not to be forgotten.

Coming Soon

September 9 I have no idea.

Thought for the Week

There are two things you should never do.

1. Never tell everything at once.
