GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

MAY 07, 2007

Small gathering, no speaker, Key Clubbers joining us for a little love, it looks like the larger Font will be the Font of choice.

A beautiful night for a newsletter

With **Don Nielsen** visiting **Minnesota**, (must have been to see family; why else would you do that?) **Craig Howard** and family, still dealing with the loss of his **Mom**, **Gary Sunda** nowhere to be seen, (I think. Since there was no way he wouldn't be the replacement if present. **Gary** is such a powerful presence, that even when he is not with us, the aura remains.) It was former President **Will Swanstrom** who stepped to the plate and took the gavel. **Will** was so good that he received a "Standing Ovation!" (Coincidentally at the same time we all stood up to leave.) There may be a movement to replace **Gary** as "Chief Substitute"). Remember **Lou Gehrig** started his 2130 straight baseball games because the first baseman was not available once. Personally while **Will** was truly outstanding, I will probably remain a **Gary** supporter, since I couldn't bear to see him cry if replaced. Until I'm pressured anyway.

And the money keeps rolling in. Corn Booth, Pancake breakfast, what else can we ask for? More! More!

All Service Club Lunch Rousing Success!

At least I hope it was or will be, depending on when you get this. I'm sure there was a big crowd, we all had a great time and **Vince Ferragamo** was a great speaker, and didn't forget to show up. The park looked great, and I feel comfortable in saying that it didn't rain.

Bolsa Grande Key Club Receives Kudos!

Just when you thought that **Kudos** were energy bars, our **Key Club** came to the meeting and received some other kudos, for their help at the **Strawberry Festival**. Five of their members joined us for dinner and a thank you for their efforts in the booth. Many of them gave their own time so that most of us who signed up to work wouldn't have to. It kind of makes you want to weep! We also just received \$176.00 from the festival for feeding the Celebes at the breakfast.

Pancake Breakfast and Festival Booth do Well!

All those trips by **John Leeb** for pancake batter, eggs, and sausage or bacon, turned out well, as we netted around \$3000.00 from the breakfast. A big thanks to all those who volunteered to man, (or woman) the corn booth. We also made quite a bit of money over there. Of course once again I was doing my share while making **Jack** happy. (I was there in 1990 too,) so I'm on a roll.) Someday if everything goes right we may even clear as much money over there as the morning club.

Troop 1176 has Spaghetti Feed at the Park

I hope that some of us were able to go to the Spaghetti feed held by our Scout Troop 1176. Sundays are not easy to clear. They worked hard, and hopefully they reached their goals.

Happy/Sad Dollars

With a small crowd and no speaker, pretty much all that was left, was a quick trip through the Happy and Sad Dollar portion of the evening. However our formidably connected Council Member member, Bruce Broadwater, graciously volunteered to find us a speaker for next meeting. So come join us for "Speaker Surprise Night!" I'm sure that it will be someone interesting. As for the dollars, here is a partially accurate report;

Peter C. Happy 3 just to be here.

Gerry N. five for Key Club support at the breakfast and the booth, and Will's impressive meeting/R.C. Key Club, and being here.

Jerry M. Key Club help, being close to a microphone, and Bruce's efforts for my HOA.

Tom P. One of the Key Club kids looks like he got hit, has a hit, hit someone, or something like that.

Jerry K. Sad dollar because I kissed up to Bruce. (Not literally of course.)

Walt D. Happy for Key Club help, and receiving an important phone call fro Fresno.

Efrain D. Happy

Tom E. Sad to miss the next month.

Jack W. Son will be at the meeting next week, and for the Key Club help.

Thought for the Week

Remember, today is the tomorrow you worried about yesterday.
