GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

MARCH 27, 2008

Was Craig jinxed or was it just a bunch of rowdy Kiwanians?

Mysterious Happenings at GG Kiwanis Meeting

President Craig was a little distracted at tonight's **Garden Grove Kiwanis Club** meeting. It seems that that he kept misplacing things during the evening. The meeting started our normally enough. **Tom P.** led us in the Flag salute and then **R.C.** led us in a patriotic song. The **Right Reverent Father Kelly** even gave us a rousing invocation. The normal crowd of fun loving **Kiwanians** were on hand to enjoy a few liquid refreshments, a fine meal from **Jay's Catering** and some great **Kiwanian** fellowship. But somehow **Craig's** keys seemed to disappear during the early evening. Then while he was busy searching for them, they mysteriously re-appeared on the podium. But it seems that the **Kiwanis** bell had vanished into thin air. Being the resourceful kind of guy that he is, **Craig** didn't let it rattle him (much) and he grabbed the back-up bell and started the after dinner portion of the meeting. Luckily, the regular bell re-appeared after the meeting was over and all was right with the world. Except that it seems like a little bit of **President Craig's** sanity was then missing. No wait, that is his normal state....

The GG Kiwanis Club was the scene of several mysterious disappearances!

Announcements

Our upcoming **Pancake Breakfast** to be held at **KiwanisLand** on Sunday, April 6th seems to be set. Event Co- Chairman **Tom Petrosine** announced that 595 tickets have been handed out, all of the supplies for the event have been donated and the placemats will be printed with almost all of the advertising spots having been sold. The event will start at 7:30 am on that Sunday and the first shift volunteers need to be there at 6:30 am to set up and start cooking. Thanks to all **Club** members and family for making sure this event will be a success.

President Craig read a thank you note from **Helen Weeks** who expressed her thanks to the **Club** for the generous gift that we gave her to thank her for serving up our dinner and taking care of us each week.

Jerry Kelly presented a \$500 donation to **KiwanisLand** from the sale of **Mike Lancier's** (a past **Club** member/President) house. **Jerry** does this whenever a **Club** member refers him and he makes a real estate sale.

R.C. Gall reported that the reason that **Jack W.** wasn't at the meeting this evening was because he had to take **Marge** to the hospital. It turns out that she had to have surgery to remove some obstructions in her digestive system. Also, **Bob Main** was still not feeling up to par. He had a short spell in the hospital but was back home now and hopefully will be feeling better and be able to join us again at the **Club** on Thursday nights.
