GARDEN GROVE KIWANIS RAMBLINGS, PUBLISHED WEEKLY

MAY 20, 2010

Don't forget to come out and support the Club with a couple of shifts in the Corn Booth. Bring your family and friends...

Nice Night For A Barbeque!

At tonight's **Garden Grove Kiwanis** meeting, not only did those in attendance get treated to some of **Grill-Master Will Swanstrom's** famous barbequed hamburgers, but they were also treated to a visit from **Thai** and **Charlotte** from the **Cal State Fullerton Circle K Club**. The two ladies were visiting the **Clubs** in the area in order to build relationships with all branches of the **Kiwanis** family. **Circle K** is the college version of the **Key Clubs** and the ladies had heard that we were the wild branch of the **Kiwanis Clubs** and had to come see for themselves. And what a night they decided to come visit, the **Park** was looking green and beautiful and we were treated to a old time barbeque for dinner tonight in order to pre-start off the barbeque season. We had burgermeister **Swanstrom** on the grill and all the burger fixings and salads prepped by **Jack Wallin** and **RC Gall**. **Bruce Broadwater** was in fine form cutting the cheese, er I mean prepping the cheese and lovingly applying the slices to the cooked burgers. And then to top off this finely prepared and tasting meal, desert chef **Will S.** prepared for us some yummy cookie sundaes that were served up on a platter by **Brent H.** and **Craig H.** All in all, a great pre-start to the official start of summer, Memorial Day weekend!

The Park was looking great, and the evening punctuated with the smell of grilling burgers!

Corn King Craig Howard spoke to those in attendance about the upcoming **Corn Booth**. We were able to get plenty of **Key Club** kids signed up last week at the **Key Club Barbeque** to work shifts in the **Corn Booth**, but we will still need **Club** members and their friends and families to sign up and help with working at the booth and keeping an eye on the **Key Clubber's**. Sign up sheets were again passed around and will also be at this weeks meeting. You can also call **Craig Howard** and let him know which shifts you, family and friends would like to work. The **Corn Booth** at the **Garden Grove Strawberry Festival** is our **Club's** major fundraiser and helps to support the **Club** and **KiwanisLand**. We all need to pitch in and make this event a success! The booth will be set up on Tuesday morning (5/25/10). Breakfast at **Kaye's Kitchen** at 7:30 am and meet at the **Park** to start loading at 8 am. Booth tear down will be on Tuesday 6/1/10.

Our **Club** needs to conduct our election of 2010/2011 **Club Officers** and **President Brent** is asking if there are any willing and dedicated **Club** members who would be interested in serving. Please let him know and he will also be asking members individually if they would be up for the challenge of serving our **Club** in this important role.
